TRAINING TABLES FOR ATHLETES EVERYWHERE

by Clinton Industries

Clinton Industries believes it's time to cheer on athletes everywhere. So we've used our 45 years of expertise in the design and manufacture of durable medical tables and equipment to develop HomeTeam Tables for the sports market. Because we believe every athlete should have access to quality equipment, we've made our furnishings and equipment affordable for everyone — small colleges, universities and even high schools. And we've designed them to stand up to the rigors of sports—season after season.

HomeTeam Tables are a win on design, a win on durability and a win on price, and that is a pretty good start to any season.
